

26. Is there anything else you would like to say?

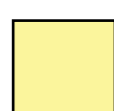

Note to parents, carers or family members:

If appropriate, is there anything you wish to add, from your own point of view, about the difference the Friendship Club has made? This could be changes to the life of the person you support, you or your family?

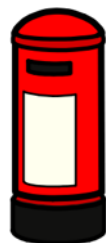

The Friendship Club tries to create safe events for people to meet each other. We support members to make friends and be part of the community. I understand that at Friendship Club events, activities and meetings that the Friendship Club staff and volunteers are not responsible for members.

I take responsibility for my own actions, safety and behaviour at Friendship Club events, activities and meetings and bring extra support if I need it. (Please tick to say that you (or your supporters) have read and understand this)

Please send this form back to:
